

# AUDITION NOTICE

The Hobart High Theatre Department is having open auditions for our November 2017 Musical. We have narrowed our list of shows but before we are able to make our final decision, we want to have a “pre-audition” to see what talent we have interested in joining the HHS Theatre Department in this venture.

**Who:** All SCOH students in grades 8 through 11- if there is any chance you may consider auditioning for the show you MUST participate in this audition. You cannot decide at the beginning of next year as we may even cast by this June.

**When:** April 26, 27 and May 1 from 3-5 (Choose one date to sign up for)

May 3 3:30-5pm All interested called for movement audition

**Why:** We have some very exciting prospects for next year’s musical and want to make sure we have enough students interested.

**What do you need?** You need to prepare an upbeat song from a musical of at least 2min in length. You must provide back tracks to sing to. These need to be sent via email to Mrs. Nelson by April 22. You can get suggestions from the following websites. You tube is also an excellent source to find back tracks to. Just make sure that they are karaoke style back tracks and the lead vocal can NOT be heard. You must have music--no acapella please!

The following websites will be helpful to find an appropriate song. Once you find a song you like--find the back tracks or “karaoke” music.
