

Cheer Booster Club Meeting

July 17, 2017

Attendees: Kriste Bell, Nikki Zepeda, Angela Wedel, Debbie Johnson.

Finacial Statement: Coach Kriste informed the group the there was a \$1,600 balance in the cheer account after the popcorn fundraiser and all uniforms were paid. There will be a \$180 expense for the three coaches to attend the annual coaching conference. This may be reimbursed by the school.

Fundraising:

Carwash – Everything is set for Sunday's car wash at Centier. It will take place from 1 – 4 p.m. Girls should be there at 12:30 in appropriate attire (shorts, bathing suit with tank over suit). Next car wash is scheduled for August 20.

AppleBee's Pancake Breakfast – Jess will check if 9/17 or 9/24 is available for the breakfast. The group will get 300 tickets to sell at a cost of \$8 each. The group gets to keep \$4 per ticket so we could potentially make \$1,200. Breakfast includes 3 pancakes, 2 bacon, and beverage. In addition to selling tickets, cheerleaders would be responsible for seating, serving, and busing tables.

Aramark Fundraiser – Nikki passed out information on this fundraiser. The fundraiser would involve parents working concession stands at various Chicago Area events and the group receives a portion of the sales for that day's event. Kriste is going to see if she can survey parents through the Sign Up Genius on interest in this fundraiser.
