NOTES:

1. **KV is on Central Time, same time as Hobart.**
 1. BE RESPECTFUL of other bands and band performances. Be supportive of other bands, and they will support you. Treat the stadium like the FINEST CONCERT HALL; use the same concert etiquette. Do not move in or out of stands while a band is performing.
 2. No cell phones. Parents, students will not be available on their cell phone from 1p-4p. If you think you may have a need to contact your child, contact Mr. Grenier in advance.
 3. NO FOOD OR DRINK ON THE BUSES. THIS IS A SCOH RULE THAT EVERYONE MUST FOLLOW.

GENERAL INFORMATION:

1. Your child is an athlete. Prepare their body like one with rest, healthy food, and plenty of water.
2. Students will eat after their performance from the concessions available. Plan on six or seven dollars.
3. Remember, we still wear light (gym) shorts and WHITE SHOW SHIRTS underneath uniforms regardless of the weather. Please bring weather appropriate clothing/coats for after our performance.
4. Return times from contests depend on many factors including weather and traffic delays.
5. There is no "safe or secure" place for cell phones and other electronic devices.
