## Ridge View Rocks!

Our fourth and fifth graders will be performing Ridge View Rocks at Hobart High School Auditorium at 6:30 p.m. on Tuesday, April 19, 2016. Plan on arriving no later than 6:15 p.m. with your family. Please use Door 21. The performance will finish by 7:30 p.m.

### WHY?

All fourth and fifth grade students have been preparing for this performance for a long time in music class. They are all excited to share what they have been learning. This performance is a required part of their music grade. Don't miss out on a fun evening of sharing music together!

### WHO IS INVITED?

Anyone and everyone who wants to see our children perform at the high school. We love to fill the auditorium! Please freely invite all of your friends and family for this event!

## Makers and Innovators Showcase

Makers &  
Innovators  
Showcase  
April 20  
6:00 PM  
HHS

Full Science, Technology, Engineering, Arts or Mathematics (S.T.E.A.M.) ahead!

Tinkerers, storytellers, scientists, and artists alike: Come show off your talents and inventions at the second Brickie Maker and Innovator Showcase. Students have the opportunity to present original creations during an evening of mad genius! Creations can be original designs from home or school. Submission forms are due on April 8, and they can be found on the School City of Hobart website under the S.T.E.A.M. tab. Please come see our showcase!

# GOT GRIT?

Ridge View Elementary has “gritty” students. Students will use GRIT to finish the last 9 weeks of the school year well. GRIT is determination and resilience to stick with something, regardless of the difficulty level. Students will stick with learning and growing until June.

## Outstanding Educator Award

The Hobart Chamber of Commerce and the School City of Hobart Educational Foundation, are proud to sponsor the 23rd Annual Outstanding Educator Awards. These awards will recognize educators from the elementary, middle and high school levels, who have made exceptional contributions and exemplary commitment to their profession and students.

Please support our search by nominating an educator who has made significant contributions, both in and out of the classroom, to the field of education and in preparing students to become responsible citizens within the workforce and community. Help us celebrate these individuals' creative and innovative accomplishments within the classroom and community!

Nominations will be accepted through April 15, 2016. A nomination form will be sent home with your child. If you need more forms, you can get them from the office at Ridge View. Nomination forms can be returned to our office as well, and they will be

## What does an employer expect of me as an employee?

1. Show a positive attitude
2. Work well with others
3. Follow directions
4. Arrive to work on time
5. Recognize problems and find solutions
6. Manage time effectively
7. Apply good listening skills
8. Be honest and dependable
9. Know the need to pass a drug or background check
10. Dress properly and practice good hygiene

Got what it takes?

## I STEP UP to Pass ISTEP

ISTEP+ Part 2 Online — April 18-May 6, 2016

ISTEP+ is a very important test to measure student learning. Students in Grades 3-5 will take ISTEP+ Part II later this month. This is an opportunity for our students to shine!

Please make sure the children get plenty of rest and eat breakfast at home or school each day before testing. It is important for the children to take the test seriously. Please build their confidence by telling them you know they can do well. Attendance and arriving on time is important, and testing will begin right after announcements each morning. Please encourage the children to listen to the directions, answer each question, take time to think through the questions, and go back to check their work a second time. Your help is greatly appreciated!

## NURSE'S TIPS

A very simple tip to staying healthy is drinking plenty of water.

Frequent sips through the day helps:

- diminish dry skin
- increases muscle performance during play and exercise

- is a great substitute for unnecessary snacking
- combined with fruits and veggies (which are also high in water) helps prevent

## The Brickie Community Health Clinic (BCHC)

The School City of Hobart and St. Mary Medical Center offer the Brickie Community Health Clinic (BCHC), an ONSITE school based clinic located at Hobart High School (Door #11), for ALL School City of Hobart STUDENTS and their FAMILIES.
