## Positive Behavior Intervention and Support

PBIS is a **Positive Behavior Intervention and Support Program** that promotes positive behavior in a school where all participants are encouraged daily to make positive choices. The school-wide system includes proactive strategies for defining, teaching, and supporting appropriate student behaviors. This system organizes adults and students to create a school culture that will encourage positive behavior and interactions while discouraging problem behaviors. This culture will lead to a safer environment where students achieve academically and build positive relationships with peers and adults.

The School City of Hobart utilizes PBIS at all grade levels. The individualized plans created by each school all focus on the same goal: providing students with a positive learning environment and reinforcing the behaviors necessary for college and career success.

### Liberty Elementary

The **Three Expectations** in all areas of school are:

- **Be Respectful** -“Listen and Follow Directions of Adults at all Times and treat others nicely.”
- **Be Responsible** -“Making the right choices to do your job correctly.”
- **Be Safe** “Keep hands, feet, and objects to yourself.”

The students have all practiced the school procedures in each part of the school: hallways, bathroom, playground, café, bus, computer lab, classrooms and during emergency drills. When students are caught following the school procedures they are awarded a ticket. These tickets go into a class bucket. Teachers draw a ticket winner each week and prizes are awarded in the office on Monday morning.

**Big “Class Tickets”** are awarded to entire classrooms following procedures at one time. This could happen at recess, in the café, at a special class, and in the hallway. A Class Ticket is also earned when a class has 100% attendance for the week, 100% homework completion, or no behavioral referrals for the week. After winning at least 10 classroom tickets the students can vote on redeeming them for a class prize such as a pajama day or playing bingo for prizes.

We will also be having four school-wide celebrations this year, one each quarter. Students will also earn the privilege to go to these celebrations by following class and school-wide procedures.

### High School

### Middle School

At Hobart High School, the five target **BRICK** areas include the following:

- B**-Be Here
- R**-Respect
