Dear Parents and Guardians,

The Indiana State Department of Health Immunization Division annually reviews and updates the immunizations required for school entry. Changes to the 2015-2016 School Immunization Requirements are as follows:

- Two (2) doses of Hepatitis A vaccine (HepA) are required for all students entering Kindergarten and first grade .
- All other requirements from the 2014-2015 School Year will remain unchanged.
- See the chart on the back of this letter for easy reference and contact your healthcare provider.

The full list of all school immunization requirements can be found online at <https://chirp.in.gov/> or <http://www.cdc.gov/vaccines/schedules/>.

For additional immunization information contact:

Lake County Health Department
2900 West 93rd
Crown Point, IN 46307
219-755-3658

OR
Brickie Community Health Clinic
2211 East 10th Street
Hobart, IN 46342
219-945-9383

Get a jump start on your child's immunizations! Brickie Community Health Clinic is open all summer!

***Reminder: Students need these vaccinations by the first day of school. Students without completed immunizations will be excluded from school.**

Sincerely,

Peggy Buffington, Ph.D.
Superintendent of Schools
School City of Hobart

Regina Guarnero
Coordinator of Student Health Services
School City of Hobart
